

An institutional compliance consulting firm strengthening trust through modern compliance infrastructure.

WHO WE ARE

A trusted national partner strengthening institutional equity through modern compliance and training.

Fractional Coordinator is a forward-focused compliance and investigations firm helping universities, K-12 districts, and mission-driven organizations stay accountable, reduce risk, and move forward with confidence. Founded by professionals with experience across higher education and corporate environments, we transform compliance into clarity, building frameworks that protect equity, manage risk, and support accountable decision-making.

CORE COMPLIANCE SERVICES

Equity Investigations

Independent investigations and assessments ensuring fairness, compliance, and accountability across campuses and workplaces.

Interim Coverage

Experienced coordinators providing immediate, short-term compliance leadership and stability during staff transitions.

Training & Coaching

Customized training and leadership programs that strengthen compliance culture and institutional capacity.

K-12 Support

Tailored support for school districts ensuring equity, access, and compliance with Title IX, ADA, and state regulations.

ADA / 504

Comprehensive review and support to help institutions meet accessibility standards and accommodation processes.

Policy Development

Collaborative policy drafting, revision, and implementation aligned with federal and state compliance mandates.

Digital Accessibility

Evaluations and strategies ensuring digital platforms, learning tools, and communications meet accessibility standards.

Clery Act

Guidance and reporting support for federal campus safety, crime disclosure, and annual compliance requirements.

OUR APPROACH: A CLEAR COMPLIANCE PATH

1 Discover

Learn your institution's structures, challenges, and priorities to design solutions that fit your environment.

2 Diagnose

Analyze findings to identify root causes of gaps and risks, with clear, evidence-based conclusions.

3 Implement

Turn recommendations into practice, building policies, workflows, and staff training that last.

4 Optimize

Test and strengthen new systems for long-term stability and continuous improvement.

MEASURABLE IMPACT

"Our policies lacked clarity and accountability. Fractional Coordinator rebuilt structure and restored trust."
